FOMEX® D - Series

D 200

D 400 **D 600** **D 1000**

Model	D200	D400	D600	D1000
AC Input	110 / 220V , 50/60 Hz			
Flash Output, Max	200Ws	400 Ws	600 Ws	1000 Ws
Tube Replacement	Detachable (Easy to replace)			
Color Temp.	5500k (±150k)			
Output Control Range	$F2.8^8$~$F22^8$ (6f-stops)	$F5.6^0$~$F45^0$ (6f-stops)	$F5.6^7$~$F45^7$ (6f-stops)	$F8^7$~$F64^7$ (6f-stops)
Power Control Knob	Volume Controller (VR)			
Recycle Time	0.1~1.2sec	0.2~1.8sec	0.3~2.7sec	0.3-2.4sec
Model Lamp	Halogen 250 W (E11 base , screw typed)			
Model Lamp Control	Volume Controller (VR)			
Ready Charged	Sound On : Buzzer and LED On / Sound Off : Model Lamp Blinks			
Over Temperature Warning	O.T (Red LED) Blinking, Warning Buzzer			
Synchro. Voltage	DC 8V			
Flash Trigger	Infrared Photo Cell, Synchro Cord, TEST Button			
Sound	ON / OFF			
Slave (Infrared Sensor)	ON / OFF			
Cooling Fan	DC Cooling Fan (Ball bearing typed)			
Dimension	23.5x14x17cm	28x14x17cm	28x14x17cm	35x14x17cm
Weight	2.35kg	2.5kg	2.7kg	3.4kg

Light weight & Strong Aluminum Housing, and Die-cast Connectors

FOMEX® HD - Series

HD 400   HD 600   HD 1000

Model	HD400	HD600	HD1000	H1000
AC Input	110/220V , 50/60 Hz			110/220 V AC
Flash Output, Max	400 Ws	600 Ws	1000 Ws	1000 Ws
Tube Replacement	Detachable (Easy to replace)			-
Color Temp.	5500k ($\pm$150k)			-
Output Control Range	F5.6^0~F45^0 (6f-stops)	F5.6^7~F45^7 (6f-stops)	F8^7~F64^7 (6f-stops)	-
Power Control Knob	Volume Controller (VR)			-
Recycle Time	0.2 ~ 1.8sec	0.3 ~ 2.7sec	0.3 ~ 2.4sec	-
Model Lamp	Halogen 1000 W (GX 6.35 base. 2-pin typed)			1000 W (GX 3.35 base. 2-pin)
Model Lamp Control	Volume Controller (VR)			Analog Control Volume (VR)
Ready Charged	Sound On : Buzzer and LED On / Sound Off : Model Lamp Blinks			-
Over Temperature Warning	O.T (Red LED) Blinking, Warning Buzzer			-
Synchro. Voltage	DC 8V			-
Flash Trigger	Infrared Photo Cell, Synchro Cord, TEST Button			-
Sound	ON / OFF			-
Slave (Infrared Sensor)	ON / OFF			-
Cooling Fan	DC Cooling Fan (Ball bearing typed)			DC Cooling Fan
Dimension	28x14x17cm	28x14x17cm	35x14x17cm	25x14x17cm
Weight	2.5kg	2.7kg	3.4kg	1.5kg

CRICKET - Series

C200   C300   C400

Item	C200	C300	C400
Flash Output , Max.	200 Ws	300 Ws	400 Ws
Output Control Range	F4.0~F32 (6f-stops)	F4.5~F32.5 (6f-stops)	F5.6~F45 (6f-stops)
Power Control	Power Variator, Continuous from 1 to 10		
Flash Tube Replacement	Detachable (Easy to replace.)		
Model Lamp	Krypton 100W		
Model Lamp Mode	Independent		
Model Lamp Dump	ON / OFF		
Color Temperature	5500K (±150K)		
Audible Beep	ON / OFF		
Ultra-Sensitive Photocell	ON / OFF		
Recycle Time	0.2~1.0sec	0.3~1.4sec	0.4~1.8sec
Cooling Fan	DC Cooling Fan		
Overheat Alarm and Lamp	Buzzer alarm and Red LED Light		
Housing Material	PC ABS		
Dimension	26x12x8cm (with Standard Reflector)		
Weight	1.4kg	1.5kg	1.6kg

No Flicker
Ultra-long Lifetime
Eco-friendly Lamp

FOMEX N Light

**Brand New, Sensational Lighting Device,
we suggest you to enjoy .....**

- No flickering light provides higher Color-Rendering, nearer to Natural Lights
- Incredible Lamp Life, over than 11 Years (100,000 Hours) long
- Green Enovironmental Friendly Lamp (containsed Mercury Below 3 mg)

DTW -Series

Having efficient optics system, DTW series's fresnel lens are specially designed and expressed softer lighting as well as widely diffused the focusing range form a single point focus to wider angle. As the body of moldule structure is made with incorrodible aluminum's extrusion moudling and used the light weight die-casting having perfect persistence, so there's no difficulty to use in nasty weather, the light focusing can be changed by moving lamp position and the circular mirror makes the lighting uniformly and perfectly diffusible. Bracket can be usable the adaptor 5/8" or 1-1/8"(29mm).

HQI / DTD -Series

It's essential for fresnel daylight to be compact size, and high efficient and light weight, DTD-1200 compact daylight is the best choice. Fresnel lens are specially designed and expressed softer lighting as well as widely diffused the focusing range from a single point focus to wider angle. As the body of moldule structure is made with incorrodible aluminum's extrusion moudling and used the light weight die-casting having perfect persistence, so there's no difficulty to use in nasty weather. The light focusing can be changed by moving lamp position and the circular mirror makes the lighting uniformly and perfectly diffusible. Bracket can be usable the adaptor 5/8" or 1-1/8"(29mm).

HQI150

DTD1200

The electronic ballast with remote booster control which is multi voltage can be used for various lighting accessories, and flicker free. it makes possible for speed of shutter into 10000/sec frame, and colour temperature is uniformly preserved.

Fluorescent Light

In the field of photography, imaging & broadcasting, fluorescent lighting system is suitable the source of light for working digital image which is soft and cool lighting quality. Only exchang ing the florescent lamps, the tungsten(3,100K) and daylight(5,300K) is convertible, refers to the condition of photography, it can be mixed up with studiio flash lighting, HMI and tungsten lighting. Compared with the same light output range, approx. 2.5 times brighter, little electricity consumption and more than 8000 hours long life are strong points. Due to low heat of the florescent lamp, it's highly adaptable for close up shooting. And it provides uniformly diffused lighting in the wider space.

DSR 2x   DSR 4x   DSR 6x

Halogen / Tungsten Light

Halogen lighting is the ideal for the field production and fast turnaround location use. it can be used not only digital and analogue photography but video photography and possibility of using various accessories. And it's kept stabilized life and fixed colour temperature and preserved the expression of lighting.

FOMEX, a world wide leader of Lighting
System Industry, has continued research
and development on the innovation
for new lighting technology.

'Nearer to the Nature, Closer to Humanity'

That is the main issue of FOMEX,
trying to provide Better Qualification
and More Comforts for every customer.

We wish that our high Technology
applied on our products would bring you
More Convenient Operating and
Enough Satisfaction.

Your kind feedback on our products also
would be much helpful to us all.
